PRIDE MONTH 2025

Pride Month is a vibrant and inclusive celebration that honors the LGBTQ+ community, their history, achievements, and ongoing struggle for equality. This annual event serves as a powerful reminder of the importance of acceptance, diversity, and love. It brings together individuals, organizations, and communities to advocate for LGBTQ+ rights and celebrate the progress made towards a more inclusive society. In this article, we explore the essence of Pride Month 2025, its history, and how you can actively participate in this empowering celebration.

What is Pride Month 2025?

Pride Month is a month-long celebration that recognizes the LGBTQ+ community and their contributions to society. It is a time to acknowledge the challenges faced by this community and to stand in solidarity with their fight for equality, acceptance, and human rights. Pride Month is a joyful and colorful display of love, unity, and resilience, with events and activities that promote inclusivity, educate the public, and celebrate the diversity of sexual orientations and gender identities.

The History of Pride Month 2025: Pride Month has its roots in the Stonewall Uprising, which occurred in New York City in June 1969. The uprising was a turning point in the LGBTQ+ rights movement, sparked by a series of protests against police harassment and discrimination. The following year, the first Pride marches were organized to commemorate the anniversary of the uprising.

In the United Kingdom, the first official Pride march took place in London in 1972. Since then, Pride Month has grown in significance, with cities across the UK hosting vibrant parades, events, and educational programs throughout June. It serves as a platform for LGBTQ+ individuals and allies to celebrate diversity, raise awareness about LGBTQ+ rights, and foster a sense of community and acceptance.

Over the years, Pride Month has expanded to encompass a wide range of activities, including art exhibitions, panel discussions, film screenings, and concerts. These events provide spaces for LGBTQ+ individuals to express themselves freely, share their stories, and create visibility for their experiences.

Pride Month also serves as a reminder that the fight for LGBTQ+ rights is ongoing. It encourages individuals and communities to advocate for legal protections against discrimination, work towards inclusive policies and legislation, and challenge societal prejudices that continue to marginalize LGBTQ+ individuals.

Pride Month 2025 is an opportunity to come together and celebrate the vibrant diversity of the LGBTQ+ community. By participating in Pride Month events, supporting LGBTQ+ organizations, and advocating for equality, we can contribute to a more inclusive and accepting society. Let us embrace the spirit of Pride Month, stand alongside the LGBTQ+ community, and work towards a world where love, acceptance, and equal rights are celebrated by all.

When is Pride Month 2025?

Pride Month is celebrated every June around the world, including in the UK. In 2025, it takes place from June 1 to June 30, with a wide range of parades, events, and discussions to honor and support the LGBTQ+ community.

HOROSCOPES:

GEMINI (May 22 - June 21):

You're standing strong, even as the ground shifts beneath you. May 12's Full Moon in your work sector might literally suggest a major career or reputation shift. If your daily efforts leave your soul drained and desperate, that's simply not sustainable! If you've been afraid to walk away from one career and start a new one, that fear may subside over the month ahead. On May 24, Saturn leaves your career sector and moves into a new area of your chart -- the idealistic 11th house. You may feel like a huge weight has lifted off your shoulders, giving you the space to make big moves.

Cancer- 21 June - 22 July

Your love life is in for a highly charged transition. The Full Moon on May 12 will land in your 5th House of Risk, opening a window to either an intense, almost obsessive love for someone or the desire to completely cut this person out of your life. It likely will be an extreme in one direction or the other, thanks to the Scorpio energy suffusing the Moon. Whichever way you go, you're not playing games.

Our updated Garden

I went to buy some
camouflage pants,

but I couldn't find any

What did the grape say
when it got stepped on?

Nothing, it just let out
a little wine.

Why don't skeletons fight
each other?

They don't have the guts!

I used to be a baker,
but I couldn't make
enough dough

Did you hear about the
who got hit in the head
with a can of soda?

He was lucky it was a soft
drink

Did you hear the
rumor about
butter?

Well, I'm not going
to go spreading it!

NOT ALL ANGELS HAVE WINGS

THEY HAVE THEIR TROUBLES OUTSIDE THESE WALLS
BUT THEY LEAVE THEM BEHIND AND THEY GIVE THEIR
ALL

SOME HOLD HANDS OR ARE THERE WITH A SMILE
OTHERS SHARE A MOMENT, WIPE TEARS, STAY A
WHILE

SOME PUT DOWN THEIR MAPS TO LAND A HAND TO
THOSE WHO'VE LOST THEIR MAPS IN THIS TROUBLED
LAND

THEY WEAR CLOAKS OF KINDNESS AND SO MUCH
CARE

NOTHING'S TOO MUCH TROUBLE THEY ARE ALWAYS
THERE

SOME JOKE OR DANCE TO RAISE A SMILE
SOME GIVE OUT HUGS, GO THE EXTRA MILE.
THEY WEAR BLUE, GREEN, ORANGE
SOME WEAR YELLOW AND SING

THEY'RE THE HILL HOUSE ANGLES THEY JUST DON'T
HAVE WINGS.
